

Queen Samuel

Frontend Developer

samuellqueenie@gmail.com | +234 9162577076 | Oyo, Nigeria | <http://linkedin.com/in/queen-samuell> |

PROFESSIONAL SUMMARY

Detail-oriented Frontend Developer with a strong foundation in modern web technologies, including React.js, JavaScript, and TailwindCSS. Passionate about building responsive, user-friendly interfaces that deliver seamless user experiences across devices. Skilled in translating design mockups into interactive, high-performance applications. A proactive team player with excellent problem-solving skills and a commitment to writing clean, maintainable code. Eager to contribute to innovative projects in a collaborative environment.

EXPERIENCE

REACT DEVELOPER

NXG HUB

July 2023 – June 2025 | Remote

- Developed and maintained a multi-step onboarding form for business and personal accounts, integrating API endpoints for seamless data flow.
- Implemented state management using Redux Toolkit, ensuring efficient handling of user data across multiple steps.
- Built a dynamic invoice management system, enabling users to select existing customers and auto-fill details.
- Collaborated with a cross-functional team to design and implement features for web applications.
- Integrated secure authentication flows, including OTP validation and transaction PIN setup, improving user security.
- Ensured mobile responsiveness and accessibility using Tailwind CSS.
- Followed Agile methodology, participated in sprint planning, and provided code reviews to maintain high coding standards.
